Hello my names Natasha. From a young age I've wanted to be a model, I always thought I'd be a fashion model until I hit the age of sixteen and saw all these glamorous women, especially katie price, she was a fashion and glamour model, so I thought maybe I could have a shot at it. Ive been doing fashion from the age of thirteen. I've had experience with it but now I want to get into the glamour side, I turn 18 next month and cant wait to try and get into magazines.

My love life, I have a boyfriend called Liam, he's very supportive in all that I do, he's a handsome lad and always has my back when I need him, he's basically my best friend and boyfriend, at the same time.

My secrets, one I'm not proud of, but I support my friends who do it, I decided to do webcam at the age of sixteen, I wanted to make easy cash and fast, I re-

gret doing it as my family members know and my friends know, a lot of them have left, because of it but thats their problem.

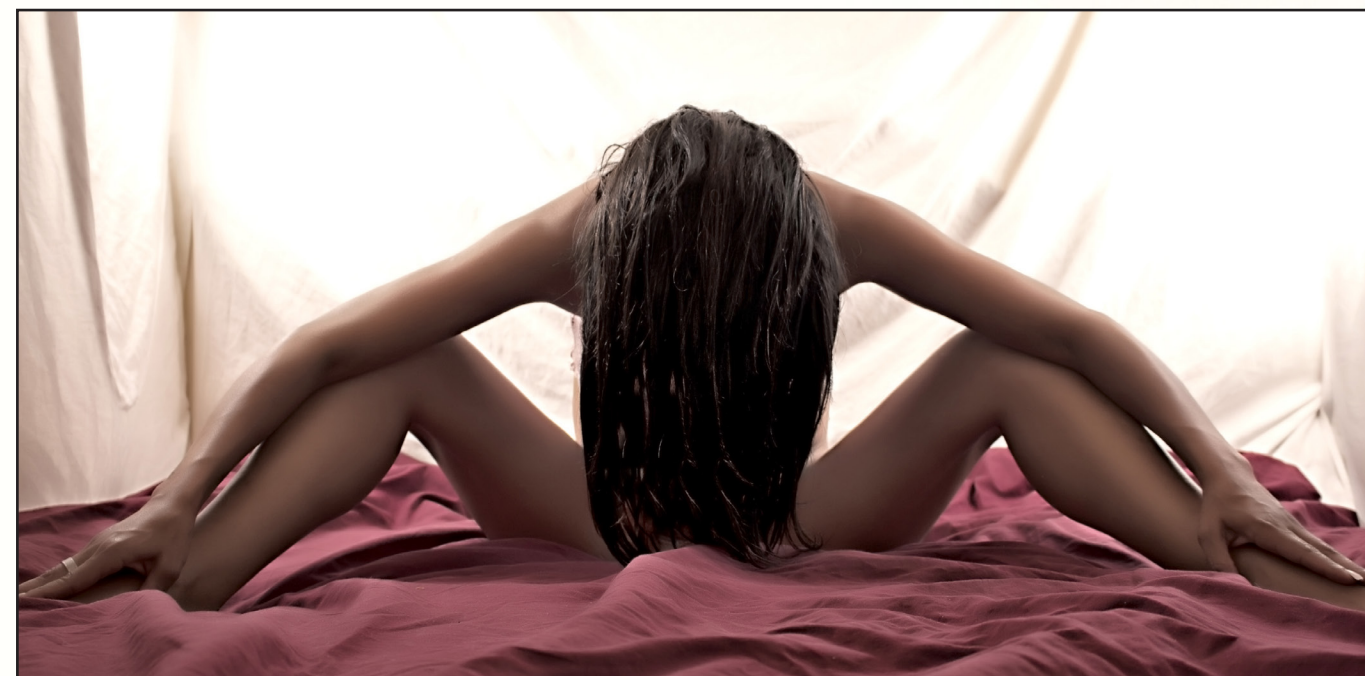

My other secret, I got a tattoo on my arm, without my mum knowing until I came home with it, but turns out that she liked it anyway, which was a bit of relief.

My goals, my goal is to make my dream come true, being a famous model. Theres not many in this industry that has made it big, I look at Katie Price, Kate Moss for inspiration, they're both great models and extremely pretty, if they've made it, why cant I. When and if I do become famous, I will never get used to having fans, you find many famous people who are up on themselves, but I promise to stay down to earth and still be me, even if I am on front page news.

I'm an MBA candidate in NYC, studying marketing and working as a model and social media manager. I'm from Philadelphia, but I've also lived in Boston and the Dominican Republic, where I was a Peace Corps volunteer. I'm

32 years old, and spend a lot of time in the gym - I love to stay fit and get outdoors when I can! I've been modeling for 9 years, starting in Boston after college, and it's taken me to many cities across the country. I work with photog-

raphers as well as painters and sculptors here in NYC, and love the creative process! I'm Irish and Russian, but I speak Spanish fluently - with a love for Bachata and Merengue!
