From Lethbridge, Alberta Canada, I am a 26 year old alternative model, I got into modeling because I wanted to express myself in new ways and meet new and interesting people, I started modeling when I was 22.

My hobbies include sewing, sketching pictures, modeling and playing with dolls. I love cats and heavy metal music. I love monster high, and gummy candy is my favorite!

I appreciate good fashion and great make-up. I own a black trans am but I can't drive it yet. I like to play with rope and watch classic movies and I have a soft spot for silent films. I love art in many forms and appreciate great works.

A few of my favorite things include lemons and good quality tequila, current favorite is Le Pinta Pomegranate Tequila. My goal for this year is to get a cat of my own and work on getting my life in order.

Violet

Alicia aka Violet B, Born and raised in Brantford Ontario, I'm just a little lady with big dreams! I am 27 years old, married with two beautiful daughters. I have a career as a personal support worker and I love to read romance novels and listen to music. I am a huge rock and heavy metal fan! If you like astrology like I do, then you know what I mean when I say I am a true Aries girl! I'm passionate, driven, and I love to laugh! I am considered petite as I am just under five feet tall, it has its up and downs but I am uniquely me! As a model I have really enjoyed all the creative ideas I've been able to bring to life through the art of photography. Some of my favourite things to shoot are artistic nudes and lingerie. I consider myself to be a creative person and I enjoy challenges when they are presented. When I'm not in front of the camera or working, I enjoy spending my time with my family, taking nature walks and believe it or not cleaning! Currently I have purple hair and 13 tattoos in various places and I plan to add a lot more in the near future! I am setting my sights on more alternative style modeling as well as more promotional modeling in the new year. I may be small but the saying goes "dynamite comes in small packages!" And I've just begun to show the world what I have to offer!

Kayla is a 20 years old Alberta Beauty and a careered woman, standing almost 6' with heels! She is always on the go whether it be modelling part time or working on fabulous hair styling at her job.

She is currently working on her first build, a rat rod with a co-mechanic. Talking about things that make her wild are old muscle cars, and trucks with lots of horsepower. That mechanic happens to be a friend turned more when things got heated up in the garage, on the rat rod - talking about a Dom and Letty scene from Fast and Furious, you know the one where Dom grabs Letty's ass and pulls her up close and onto his Charger.....

This girl loves anything with pistons. From mountain sledding, to quading, race cars, trucks and all the burnouts and events one can handle at a race track.

Kayla aspires to keep doing what she's doing and more. Her goals are constantly being met and sharing her art with fans is just another satisfying feeling of motivation.
