Anetta Keys is 32, from Prague Czechoslovakia. I Had the pleasure of hanging out and shooting with this beauty a for a couple days in May 2016. She is the best and most amazing model I've ever worked with. She became a good friend while she was here, and we still chat every few days on Facebook. She has some pretty interesting life stories. Her real name is Anetta, the last name Keys comes from back early in her Adult Film days, a producer gave her the name because of her similarity to Alicia Keys. She works as a fulltime international model now. Visiting Europe, Asia and North America. She enjoys what she does and has no regrets about the past. My time with her in Calgary Alberta Canada was short, but the friendship and memories last forever.

Shoot Location: Mike's Garage, Calgary, Alberta Canada.

I am a 21-year-old model, I got into modeling because I wanted to try something different in my life and meet new and interesting people, I started modeling just last June 2015. My hobbies include the gym, reading, modeling and playing with dogs. I love cats and top 40 and Country music. I am from

a small town, where doing this sort of self expression is considered taboo. But its my body and I will show it however I want. This makes me feel sexy and boosts my self esteem. I am a Alberta girl born and breed.

Currently no romantic interests in my life. I don't mind being single, I love being independent. One of my dreams is to have my own acreage where I can have my own little hobby farm. Nothing to fancy.... a couple horses, maybe some chickens and a rooster and of course a ever faithful dog

Kayla is an Alberta Beauty and a careered woman, standing almost 6' with heels! She is always on the go whether it be modelling part time or working on fabulous hair styling at her job. Kayla aspires to keep doing what she's doing and more.

Her goals are constantly being met and sharing her art with fans is just another satisfying feeling of motivation. There is not yet any wedding bells in her future. Currently on the lookout for Prince Charming.

I am a 25-year-old model, just started modeling in 2015! Originally my family moved here from Québec, so I speak French and English and Mandarin.

I got into modeling because I wanted to try and express my

lifestyle and show my uniqueness. My hobbies include painting, drawing, tattoos, modelling, cats and messed up stuff. I love my cats; they are my happiness. I live in a medium size town where not a lot goes on. I'm definitely unique looking. Basi-

cally I'm just taking art courses and working away to make ends meet like everyone else.

Hope everyone enjoys being creative minded like me, and thanks to Mike's Garage of Calgary Alberta Canada for the place.
