If you would have asked Anne-Marie "Where do you think your pictures will end up?" the last place she would have said is in a magazine but this is exactly what has happened! Anne-Marie, 25, Libra (October) born, raised in Cleethorpes but has since moved to a small village. Anne-Marie has mainly worked in retail and she even put her law degree to good use and decided to work in a solicitors at one point doing the usual 9-5. Anne-Marie decided to team up with the amazing and very talented David Clic and Corin Jayne Alex for a photoshoot. David and Corin both made Anne-Marie feel comfortable and as soon as she got in front of the camera she came alive! Anne-Marie at this point knew that modelling is what she wanted to do. The photoshoot gave Anne-Marie a confidence boost along with David's kind words such as "This is really good work" & "You should look into fetish modelling". Anne-Marie enjoys music with artists such as Cheryl Cole, Beyoncé and Ed Sheeran. Anne-Marie's ultimate goal is to do modelling full time

McKenzie Nova

McKenzie is 28 years old. She is an absolute car enthusiast. She loves cars and anything fast. As far as music she enjoys listening to all music but rock music really gets her singing and dancing around. She has a very outgoing personality and she loves to make people laugh and smile. "I am a big kid at heart", says Nova. "Being outdoors is my thing, love being outside".

McKenzie got together with Master Pixel and HMU Artist Jill Smith to create this stunning set

Rachel Gleaton

Rachel Gleaton is a professional commercial fashion and glamour model from Tampa, Florida. In spite of her infectious energy, gorgeous looks, unbeatable smile, and 6'0" height, Rachel Gleaton didn't always think she had a future in modeling. Like many young girls, a lack of confidence kept her out of the business, and even though she's wanted to model from a very young age, she wasn't sure the lifestyle was for her.

Today, Rachel loves being in front of a camera, and loves being on the cutting edge of glamour and fashion. Her drive and energy have helped earn her a reputation as a model who is easy and fun to work with, and who adds a new level of creativity to every shoot she's on.

As a younger model somewhat new to the business, Rachel is eager to expand her portfolio and be a part of as many events, photo-shoots, and appearances as she can. She loves meeting others who share her passion for modeling and fashion, and she has been incredibly blessed to work with a steadily growing network of like-minded professionals who take this business seriously.

Since breaking into the industry, Rachel has been featured in dozens of shoots and has also appeared many publications including the International Models Magazine.

Alicia Marie

Hi, my name is Sara. I am from Saint Louis, Missouri. I am 5 foot 6, I have blonde hair, sometimes my eyes are blue, sometimes they are green. After dreaming of becoming a model, I took the chance in August 2016. With so much support of my loving fans, family, and friends, I am pursuing my dream in hopes of inspiring other women to do the same! I have a great passion for music, which definitely can put anyone in a better mood. I also love animals, sunshine, anything outdoors, and being in front of the camera. I'm at a point in life where I'm ready to take on any challenge that might come my way. I hope to someday try my hand in acting!
