I've been modelling on and off for 8 years, when I first started I was a curvy size 10, after having children I become a size 16. So put modelling on hold for a little while whilst raising them :)

I want to show the world that plus size is sexy too. We should be happy in our own skin and embrace it. Also try to guide people into not judging others. As long as that person is happy who cares. I've been

with my partner 14 years we meet via having a street race and me doing a hand beak turn haha.. he came over and said fair play you can drive for a bird. I'm also a support worker so look after elderly people and vulnerable adults which can be changling from time to time. I don't want to be famous, just want to get out there and experience life, as I believe life's for living.

MODEL&MODEL AGENCY

Hiya Everybody, So happy that you want to publish me in TEASE MAGAZINE. This is my story article for magazine and also sending images in a moment.

The Media call me the UK's Oldest Glamour Model and yep I still model lingerie at the age of 67 years young. By The Way, NO HRT NO plastic surgery and do not even dye my very long brunette hair.

I am thankful to have been blessed with an HOUR GLASS FIGURE and am the same size as I was in my 20's when I modelled successfully into my 30's. I ran an award winning model agency during that time, retiring at 40 due to a bad dose of Glandular Fever. I then re-lanched as a Mature Model at 57 and in the last decade have been published in-

ternatioanlly, been on covers, including a book cover in the States and am extremely busy. I love modelling! Hope you all like my images :)

Achievements: Newbie Models come to me now asking for advice, because Modelling can be a bit of a jungle. I am glad to help them.

I am registered with a model agency CORNWALL MODELS & PROMOTIONS and also work FREELANCE.

I am married and have just celebrated my Sapphire Wedding Anniversary - 45 years! My husband looked like Magnum when he was younger lol.

Personal challenges include having an Under Active Thyroid. I believe in healthy living taking long coastal and country walks with my rescue dog.

OK. So I love playing chess too.

I want to continue modelling for many years to come and get some more magazine covers in the process.

Tiffany Champagne

Tiffany Champagne is a Model-Actress originally from NYC but enjoying life in Hollywood.

She comes from a conservative upper-class upbringing and has an education in the Arts and Acting fields.

Having been raised in New York City, she socialized with the models that were going to the same private school in NYC. "Tiffany: I was shopping in Bloomies with them at 14 years old and buying Chanel purses. Their lifestyle so impressed me, and everyone around me suggested I try

modeling I was signed up to a big NYC agency where I started to do Modeling for junior fashion. Wearing lots of make-up for photo-shoots, I got to be a blonde and looked 18 years old. Of course, I pushed the limits. My parents were somewhat shocked at my make-up and grown-up looks, but I knew this was what I wanted. It was the very best time of my life, and I was addicted to it and knew it was what I wanted to do."

It was so much fun wearing all the makeup at an early age and being a junior model.

Tiffany knew she wanted to be in the creative fields and went on to Art College and studied Acting with some famous acting schools in Hollywood. She is a published model and has acting credits to her name.

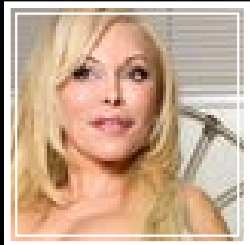

In a few years, my family moved to California where my dad was transferred to a high position.

I went to prominent acting classes and studied acting which led to some acting projects.
