I started dancing at age 3 under the tuition of the legendary Pauline Kellett at The Polka School Of Dance (Now PK Dance Academy) Warrington, UK. I was trained in ballet, tap, modern, Irish to name just a few styles and competed in many competitions and performed in several professional shows and pantomimes.

Mrs Kellett over the years. I danced professionally in various dance groups over the years and performed at professional sports events and as a backing dancer at music festivals. I have done a bit of teaching too before going into the fitness industry as a personal trainer and class instructor and now a professional model.
