Ilesha Salinas

My dreams are to travel the world, spreading love & peace to those who deeply seek it. My goal is to experience the many ways of life within the different cultures- being able to learn many languages, & cleanse my heart & soul, finally being at peace. The power to educate my children as well as other children who struggle to discover their true selves & their true purpose.

I have overcome the overwhelming darkness, who's mission will always be to destroy life

itself. Friends & family whom I've lost to death along the way. Bigots & bullies who are constantly tearing each other down.

A consistent challenge I will face everyday is my own mind & the impurities of our world...in which I hope & pray I make it through.. each & every day is a challenge..but I become stronger than I was the day before.

Iesha Salinas

My name is iesha Salinas, proud owner of Salinas Studio. I am a mother, wife, and photographer. Photography has always been apart of my life, but i was always in front of the camera, and that was safe place, it made me feel empowered and strong. Now i feel it's my time to return to favor to those who book with me. Photography for me is much more than just clicking a button. it's capturing the raw emotions, bringing out the best from that person and making them feel empowered!
